Exceptional Coventry home is located on a corner lot in the quaint Liberty Branch neighborhood in Creekside Park. Graceful double porches are the highlight of the traditionally designed facade of this 5-bedroom, 5.1 bath home. Beautifully landscaped front yard and impressive backyard with pergola, outdoor kitchen, and pool/spa with heater and chiller, complete the pristine outdoor presentation of this lovely home.

Along with 2 bedrooms, including the primary, the first floor of this home has a convenient open floor plan with private study, and a formal dining room with striking judge's paneling and a passthrough to a dry bar and adjacent temperature-controlled wine room. The kitchen is both stunning and functional - oversized, curved island with quartz counters and ceramic farmhouse sink, Subzero refrigerator/freezer, built-in microwave and double ovens, coffered ceiling with recessed lighting and pendant lights, undercabinet lighting, walk-in pantry, and more! The adjacent breakfast space looks out onto the covered patio and outdoor living space. The two-story family room has a floor-to-ceiling gas log fireplace with marble surround and millwork. A wall of windows and high transom windows flood the room with natural light.
